

LEARN TO SKATE 2009-2010

MONDAYS, 6:15-7:45pm in ½ hour increments, Naga-Waukee Ice Arena, Delafield

Class Description and Pricing:

Snowplow Sam 1-3

Is designed to help preschool age children develop preliminary coordination and strength necessary to maneuver on skates. After completing Snowplow Sam levels 1-3 the child is ready to move directly to Basic 2.

Basic 1-8

The Basic Skills Curriculum is designed to introduce the fundamentals of the sport in a progressive approach.

Adult 1-4

The Adult Curriculum introduces the basics of ice skating to the adult skater.

Free skate 1-7

After completing Basic 8 the skater learns the jumps, spins, moves in the field and dance step sequences and other free skating elements of the sport.

Synchro

The Synchro Curriculum is to offer the opportunity to introduce skaters to elementary holds, formations and transitions. Emphasis is on line and positions rather than difficulty of steps. Skaters must pass Basic 5 before beginning Synchro 1. Opportunity for further involvement following basic skills lessons is available through the Wisconsin Figure Skating Club. After completing Synchro 4, a skater may be prepared to join the Wisconsin Figure Skating Club's Wisconsin Edge Synchro Team.

Hockey 1-4

The hockey curriculum is designed to teach the fundamentals of hockey skating. In four badge levels, skaters learn to maneuver faster and be more agile on the ice. Proper skating techniques are the primary focus of the curriculum. Skaters are taught without a stick or puck.
